September 2021 Newsletter

From The Pastor's Heart

According to the website [Knowing Jesus](#), the Bible refers to food 1,207 times. Jesus on multiple occasions refers to himself as the Bread of Life. We can read a couple of different stories that involve Jesus sitting down and eating with others. There is something holy and mysterious about sharing a meal together that really has a way of inviting others into our lives. There is a new(ish) song out called "Canyon" by Ellie Holcomb and one verse in particular sums up well the power of eating together:

I walked into the desert and I found You

You set a table for me

In the presence of my enemies, to share with my enemies

NO LONGER MY ENEMIES, NO LONGER MY ENEMIES

NO LONGER MY ENEMIES

I love the transition this song makes from having a tough time with people, to eating together with people, to a renewed relationship steeped in positivity and love. This is what sharing a meal with someone can accomplish. Jesus knew fellowship together around food can accomplish a lot of good things!

Well, that is no less true today than it was in Jesus' day. In the United Methodist Church there is a joke, "where two or more United Methodist are gathered there is food among them." Potlucks, fundraisers, meals to the sick, meals-on-wheels, dinner meetings, lunch meetings, only meetings with food are worth attending... you name it and food has been a very important part of our life together. Here in this church we have raised a significant amount of money to help pay down the Building of Faith (sanctuary renovation) loan by selling soup and hummus. We have monthly luncheons that go toward our General Fund. Not only has food been a significant way to raise funds, but it has also been a common part of our fellowship together. We have had Lenten dinners with other churches in our community, celebrated summer with a picnic, and pre-pandemic had drinks and snacks present as a way to gather people between our two services together.

Why am I spending so much time talking up the importance of food? As we move into September we will once again be relaunching many of our programs that are centered around food. I know that many of us are feeling disconnected from one another. I would invite you then to seize the opportunity to connect with one another again by supporting these programs. Place your order for soup and hummus when it comes around. Sign up to attend one of the Thursday lunches (dine in or take out) as your schedule allows it. Sit down together as often as you can and as is safe concerning Covid for you and your family and break bread with one another. Let's heal what feels as though it has been broken over the past year and a half and let's eat together. If you have not yet signed up for a Porch Party please consider doing so, there isn't a whole meal but there is food! Maybe we aren't enemies, but let's be really good neighbors and really good friends by sharing our table with one another. Amen!

From one hungry light to another,

Pastor Hannah Loughman

Porch Parties with the Pastor and Family

Todd and I want to get to know you better and for you to get to know us better. In order to do that, this summer we will be hosting you at our house on our porch. We have a lovely, large front porch that can safely accommodate a family or two. [Please sign up here](#) or contact the office to join us on a Friday evening from 7—9 pm for light refreshments and good conversation! You can sign up with another family if that would make you more comfortable. I will guide our time together so as to avoid any of those potentially awkward silent moments that most of us fear (though I can't promise they won't happen). If you have allergies or mobility concerns please let me know when you sign up. We are excited to share our beautiful porch with you, show off our energetic family and get to know your hearts!

Holy Gourd! Celebrating 20 Years of Pumpkins!!

Sewickley United Methodist Church is excited to offer Pumpkin Patch ornaments celebrating our 20th anniversary of selling pumpkins. Designed by Jack Moffett and custom made by Wendell August Forge, these 3" hand-forged ornaments are unique and limited in number. The front reads "SUMC 20th anniversary pumpkin patch 2021" and the back reads "The church with time and pumpkins for you!" Each ornament comes in a box and includes a card celebrating the pumpkin patch and the creation of the ornament. Proceeds benefit the church's General Fund.

These beautiful ornaments will make wonderful Christmas gifts. Order yours now, as we are sure to sell out. Each ornament is \$20. You may pick up your ornament when Pam is in the office on Wednesdays and Fridays. Other arrangements can be made by coordinating with Lou Ann Scott or Diane Bartley. Please place your order [by clicking here](#).

WE'RE GETTING TOGETHER AGAIN IN CHILDREN'S MINISTRY

Together again with old friends. Together with new friends. Together again in the Light and Love of Jesus.

On Sunday mornings in September, beginning September 13, the SUMC Education Committee will provide special programming for students in kindergarten through 5th grade during the 9 am contemporary worship service. There will be similar programming during the 11 am worship service.

The children will leave the service after Pastor Hannah's children's message and spend time in interactive stories of Jesus, games, crafts and service projects. If weather permits, we may spend some of our time on the lawn and playground.

There will be no children's, middle school or high school programming during the traditional 10 am education hour in September.

Our SUMC 2021-2022 children and youth programming will launch in October and run through May. Details have not yet been determined. The Education Committee is welcoming volunteers to assist with all of our programs. Contact Bill Utterback at utterbac@earthlink.net or Pastor Hannah. We will adhere to all SUMC masking and distancing protocols.

For the month of September, at the 11 am service, we will be learning about FOLLOWING JESUS. We will talk about this and watch themed videos, but the big surprise is that we will be tracing kids bodies, and they will paint "themselves," and these will be used with the theme FOLLOW ME as we decorate the Sunday school hallway. SO, please dress in clothes that can take a bit of watercolor paint!

September 5, 2021

**Fifteenth Sunday after Pentecost
 Sacrament of Holy Communion**

Liturgist: Martha Boward

Message: "Jesus Worked Too"

Scripture Lessons: John 10:6-18 Mark 6:1-6

Tomorrow most of us will celebrate Labor Day by working. Jesus worked too. He didn't just come to earth with all heavenly authority to be a king and be served by his subjects; he came to serve. He served in many ways that provided spiritual food for people, but he also provided the table to eat it on. Jesus worked and he worked hard.

September 12, 2021

**Sixteenth Sunday after Pentecost
 Presentation of Third Grade Bibles**

Back to School Blessing

Liturgist: Marilyn Evans

Message: "Jesus Partied"

Scripture Lesson: John 10:6-18 John 2:1-12

"All work and no play makes Jack a dull boy" (origin and author unknown). What this means is that without the appropriate balance of work and play (time away from work), we would be bored and boring. Jesus knew the importance of having a good time. He never lost sight of his purpose, but he did know how to party!

September 19, 2021

Seventeenth Sunday after Pentecost

Message: Susie Moffett

Message: "Jesus Prepared"

Scripture Lesson: John 10:6-18 Matthew 3:13-17

Before going on a trip, there are a couple essential things that well-prepared people do. They make sure the vehicle that is going to get them there has been checked over, filled up with gas, and, in our family, stocked with food. Jesus was about to begin his ministry and through his going to be baptized he was fueling his body with the sustenance he needed for the journey ahead. By being baptized he also fulfilled the scriptures that were spoken long ago and was publicly affirmed by God.

September 26, 2021

Eighteenth Sunday after Pentecost

Liturgist: Mitch Hortert

Message: "Jesus Prepared Some More"

Scripture Lessons: John 10:6-18 Matthew 4:1-11

The journey Jesus was about to begin was going to take him to the depth of hell and up to the gates of heaven. A little extra preparation was necessary. He might not have prepared in a way we find attractive, but it was effective. Jesus was tempted, tested, and comforted in order to strengthen his soul for the road ahead.

WOMEN of the BIBLE

THE WOMEN OF SUMC MEET THE WOMEN OF THE BIBLE — Let’s Get Real! Real faith calls a woman to be honest about who she is. God knows our strengths, joys, struggles, and

sins. And, He’s crazy about all of us! During this small-group journey you will meet women who are absolutely real. Their stories are not fairytales, their examples are not perfect. Yet their lives can give us lessons to live our own best stories. As we share our journey together, open your hearts to God and come as you are. We will start on Thursday, October 14th, at 10 am in the library. Our continuing dates will be October 21 and 28; November 11 and 18. Study guides will be provided. Please text or call Donna Sawhill at 412-916-0854 if you have any questions or to let her know you will attend.

Cookie Walk

The Cookie Walk will be in a different month and day this year. We did so well outside we are going to do it again on November 20. So be thinking about your favorite festive recipe and we will be asking for you

to sign up at a later date. If you have any questions you can call Debbie Consoli at 412-722-9138 or email conj2@verizon.net

GET YOUR WALKING TACOS —

On September 11 the Sewickley Harvest Festival returns. From 10 am to 1 pm, the Nurture Committee will be selling Walking Tacos from the church’s front lawn. Proceeds benefit the General Fund.

UMCOR (UMC relief agency) DISASTER RESPONSE UPDATES -

UMCOR has issued grants for early response needs to Annual Conferences which experienced severe weather losses and in response to the devastating earthquake in Haiti. As early assessments are done and long-term plans are formulated, further grants will be issued and volunteer teams will be formed. You may give to UMCOR by including your additional gift with your regular offering or via EasyTithe, marking “UMCOR” – unless specified, UMCOR donations will be divided between International and Domestic Response.

UMCOR is generally one of the first agencies to respond to disasters in the USA and around the world, and it is generally one of the last ones to leave a recovering area. Again, that work is only possible through our generous giving to UMCOR. Interested in the other work of UMCOR? Visit umcmmission.org/umcor. CHALLENGING THE SCHOOL TO PRISON PIPELINE

Saturday, October 9, 9am-4pm
(8:30am Registration & Breakfast)

Christ United Methodist Church, 44 Highland Ave., Bethel Park

The school-to-prison pipeline is a disturbing national trend wherein students are funneled out of public schools and into the juvenile and criminal justice systems for minor infractions of school rules. The key policies and practices that created and now maintain the school-to-prison pipeline include zero tolerance policies, and the presence of police on campus as school resource officers (SROs). Once students are put into contact with law enforcement for disciplinary reasons many are then pushed out of the educational environment and into the juvenile and criminal justice systems. Students of color are especially vulnerable to push-out trends and the discriminatory application of discipline.

Advanced registration is required; deadline Monday, October 4. \$15 per person (includes continental breakfast, boxed lunch and snacks.) Scholarships are available. Visit christumc.net/pipeline for register and for more information.

I would like to thank everyone for their thoughts, cards, and food over the past year. I am doing well now and am continuing to recover from my back injury and subsequent surgery. Most of all I would like to thank everyone for their prayers.

Brenda Smith

Dear VBS Families-

Thank you so much for your extremely generous donations to the QV food pantry boxes! When I suggested the food boxes as the recipient of the Mission Project, I never imagined we would receive so many items. The snacks and personal care items will be greatly appreciated by the members of our community in need. I hope you enjoyed VBS as much as I did!

Laura Geason,
Leetsdale Food Box Caretaker

We want to thank everyone for all of the prayers, cards and meals coordinated by the Nurture Committee. Thank you also to those who helped us get groceries and medications following Jim's surgery. It is great to be part of a prayerful and caring church family.

Jim and Wilma Hamilton

We don't often link Labor Day to Christmas, but God makes the connection for us.

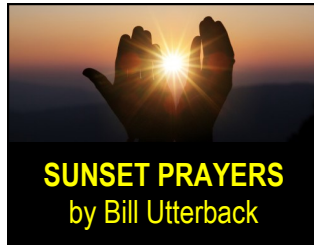

Angels, in Luke 2, first brought "good news of great joy" to laborers in the workplace: shepherds in the field, keeping watch over their flocks.

Jesus, in Matthew 4, strengthened the link between workplace and faith when he approached the fishermen, as they worked at the water's edge, with an invitation to "Follow me."

There is glorious purpose in the people and places God includes in his story, and there can be no doubt that our workplaces, our professions, are important to Him. With the shepherds and the fishermen we see God as alive and available and purposed in our workplaces.

With our sunset prayer for September, let's pray into Labor Day and all it involves. On September 5, from wherever you may be, lift a prayer around 7:45 pm for people and places your heart reveals as you think about workplaces.

Pray for people among your family, friends and neighbors who work, and pray for all who are seeking work. Pray with thanksgiving for all who have retired from work after years of providing and producing.

Pray for everyone whose work has been impacted by the pandemic.

Pray for those who work as first responders and in medical and caring professions.

Pray for everyone involved in educating and caring for our students as the new school year launches.

Pray for the people we see every day as they work to improve our lives, and for the ones we never see who work to nourish, protect and provide for us.

Pray for people in your workplaces, and for people with whom you once worked.

Pray for His help in finding new ways to follow Jesus at work and for ways to live and share the good news of great joy.

Thank you for joining us.

All in the SUMC family are invited to take a turn at writing a Sunset Prayer piece for our monthly newsletter. In recent months we've been blessed by several new voices in this space, and we would like to continue to provide opportunity for those who want to suggest or lead prayer. Contact Bill Utterback at utterbac@earthlink.net to discuss the possibilities.

Why is our fellowship hall called the "Simpson Room"? In 1967 the room was renovated thanks to a bequest from the estate of Pearl Simpson. Thus, the room is named in her memory.

“Christmas in July” wonderfully accelerated our 2021 Operation Christmas Child campaign, but we need to keep the spirit of Christmas alive through September and October to share the Love of Jesus with children around the world.

We placed a Christmas tree at the front of the SUMC sanctuary for the July 25 services and asked church family to place donations for our 2021 Operation Christmas Child campaign beneath the tree. The results were astounding. Thank you!

We collected 50 pencil sharpeners, more than 40 notebooks, 31 boxes of colored pencils, 32 boxes of crayons and 21 boxes of markers. We also gathered erasers, glue sticks, scissors and metric-edged rulers. There were toothbrushes and adhesive bandages, socks and sunglasses, dinosaurs and toy cars, balls and hair accessories, and “wow” gifts.

In our 11th season, after sending more than 1,000 shoeboxes to the world’s children, the SUMC family continues to demonstrate a passion for sharing Christmas and Jesus with His children. The OCC team is encouraged and strengthened by your spirit.

Thank you!

September will be our final formal month of seeking contributions for the 2021 OCC boxes. Together, we have packed at least 100 boxes in each of the past nine years.

Kara and daughters Elliott and Evarett have gloriously wrapped 80 shoeboxes in Christmas paper for our 2021 campaign.

To fill those boxes, we still have needs:

- ♥ Toothbrushes would be our greatest need. Since we launched in 2011, we have packed a toothbrush in every box.
- ♥ School supplies are always welcomed, and scissors, glue sticks and pens are our greatest needs as we enter September.
- ♥ We also include special gifts in every box, and T-shirts, socks, sunglasses, jewelry, hair accessories, balls, dolls, stuffed animals and toys help make the boxes special.

Details for packing events in October will be finalized and publicized in September. The boxes must be packed and delivered to collection sites in early November.

PUMPKIN PATCH 2021 — OUR 20TH ANNIVERSARY

Our pumpkins arrive October 2 at 9 am. We need volunteers for unloading, selling, and cleaning up. This is our largest fundraiser and supports the church's General Fund.

To help celebrate 20 years we'd like to do special activities on weekends to help thank the community for all of their support. If we have volunteers able to help in addition to the sales people we can give back through the special activities. Let us know if you'd like to help out and which Saturday or Sunday you can help with ...

- Face painting
- Pumpkin painting lessons
- Serve cider and pumpkin baked goods
- Carnival games that will need to be redecorated with pumpkin/fall theme
- Sand art
- Any other talents you are willing to share

Storytime — We need someone to coordinate this by scheduling readers and giveaways. We have tried to do this when preschools visit the patch. This can also be scheduled anytime but we'd have to advertise those times to attract participants.
